- We value people from all backgrounds and believe they have a right to be free from prejudice and discrimination.
- We believe that while people are all different, they have an equal right to benefit from opportunities.
- We recognise that discrimination can be overt or covert – open or hidden.
- We endeavour not to discriminate on the grounds of ability; age; colour; ethnic or national origin; gender; gender reassignment; intellect; marital status; nationality; race; religion or belief; sexual orientation; social or economic status.
- Equality of opportunities is an integral part of what we do, not an after-thought.

How will we do this?

People (members, staff, volunteers and users)

- We challenge discriminatory comments, and support colleagues in challenging discriminatory comments.
- We recognise that people on the receiving end of such behaviour may need support.
- We welcome discussion with people with special requirements to identify how their needs might be met.
- We make sure anyone providing information about discrimination is not victimised.

Resources

- We ensure that any resources are balanced and reflect the diverse nature of the community.
