I'm writing to let you know about a community engagement exercise that will be taking place in West Lindsey and also in three other neighbouring authority areas with regards to the Trent Supercluster.

As many of you are aware, the Trent Supercluster is a clean energy and innovation hub centered on three former coal sites, West Burton, High Marnham, and Cottam. It is placing the East Midlands/ Lincolnshire at the cutting edge of clean energy and high-tech innovation – including nuclear, green hydrogen, and data centers.

The supercluster spans approximately 14 miles along the River Trent in Nottinghamshire close to West Lindsey. It is already home to the UK Government's world-leading Spherical Tokamak for Energy Production (STEP) fusion prototype and the UK's largest green hydrogen production facility.

Starting next week, Bassetlaw District Council on behalf of the East Midlands Combined County Authority (EMCCA) will be launching [Know Your Place Trent Valley \(KYPTV\)](#).

It is a community engagement approach that is looking to build understanding of local communities either side of the River Trent across parts of four local authority areas - Bassetlaw, West Lindsey, Newark and Sherwood, and North Kesteven. The data collected from these conversations will be published and used to help create local profile reports that will help define local priorities and to inform decisions makers regarding emerging projects such as the [Trent Supercluster](#).

**The first event will be held next week in West Lindsey** on Wednesday 10 June from 4-7pm at Blyton Memorial Hall (Flyer attached). All residents within the [Trent Valley engagement area](#) are welcome to attend any of the events.

To support discussion and engagement, we will be hosting drop-in events around the region throughout summer 2026. Events will provide the opportunity to discuss your views with project officers and other residents, view large-scale maps of the region and communities, complete a digital response form, and collect and return a paper response form. We will be visiting a location near you, but you are welcome to attend any of the events.

**The full list of events are below:**

| Date              | Time       | Location                           | Address  |
