LOCAL PRIORITIES

The Fatal 4 - Speeding, Drink Driving, Using Mobile Phones whilst driving and Seatbelts

Youth ASB - We will continue to take a mixed and balanced proactive and educational approach looking wherever possible to identify longer term sustainable solutions and outcomes.

Rural Crime - With the fields having been cropped and nights getting longer our focus returns to night-time rural offences be they thefts, poaching or other such matters.

WHAT'S BEEN HAPPENING

Happy New Year from Saxilby Neighbourhood Policing Team.

Over the Christmas period a number of thefts have been reported, especially from garden sheds. Unfortunately sheds are very difficult to secure, due to the very nature of their construction. Locks and alarms are available from most diy or online stores, which can be fitted quite easily and for very little money. Think about security marking and/or locks for tools and garden equipment.

I'm also going to touch on electric scooters.

If you have one of these for Christmas, please make yourself aware of the Law in reference to where you can use it. Without going into detail 99% of these cannot be used on Public Highways, including footpaths. If you are using a motorised vehicle on the Public Highway you need all of the relevant documentation including insurance, tax, mot and a registration (V5 document) not forgetting a Driving Licence too. Failing to comply with the regulations will result in seizure of your vehicle and reported for relevant driving offences.

Keep safe.
